## **PARKING IN SALAMANCA**

**(Attached map of the city at the end of the document)**

One of the most frequent questions when traveling to Salamanca It is **where you can park**. Since the city is not very large and that the monumental area is highly concentrated, park the car can be a task further complicated Blackout dates influx of tourists.

Good to know that:

- Much of the old town is pedestrian and most streets why it can circulate parking is prohibited.
- The areas closest to the old town where you can park. They are included within the O.R.A., payment.
- The city is not prepared for a large volume of traffic. Is better to go almost anywhere on foot.

## **FREE PARKING IN SALAMANCA**

Parking painted white line.

Free parking in Salamanca without knowing the city is not easy. In the middle

It's almost impossible.

Looking at a map of the city and orienting a bit, you can do in relatively close to the center areas. For example, across the river, in the neighborhood that is opposite the Roman Bridge, beyond the Paseo Canalejas or

some of the streets between the University Campus, Bus Station, Hospitals and Paseo Carmelitas.

## **AREAS O.R.A.**

They are regulated parking areas schedules sections. there are currently Two differentiated by the color of the lines painted on the floor: **blue** or **green**.

Rates for non-residents are:

**Rate Class A (blue):** Applicable to all interior streets to the first track delimited round: Avda Mirat, Paseo Canalejas, Paseo Rector Esperabé, Paseo San Gregorio, Paseo Desengaño, Paseo San Vicente and Paseo Carmelitas.

## **PRIVATE PARKING**

Another payment options are there to park the car parks private. All are relatively close to the downtown area. Its daily price is around 12.00€. You can see your location on the map.

## **WITHDRAWAL OF AUTOMOBILE BY MUNICIPAL CRANE**

If during the trip to Salamanca the municipal tow your car takes for evil parking, you can go look at the impound lot, located on Calle Lagunas de Villafáfila 103 (Polygon Montalvo II).

If I wanted to make sure before it is there, the contact telephone is +34 923,289,555.

In 2013 the minimum price by removing the car is € 88.50, what would to add the potential fine and surcharge if the car does not pick the same day.

The bus line 12 goes from Salamanca to that polygon. I also know

You can arrive by taxi.

### **FINAL ADVICE**

Thus, our particular recommendation involves:

Or park on the outskirts of the hostel in free white area or O.R.A Green walking distance (know that Salamanca is a safe city and beyond the usual recommendations not to leave anything in sight in its car or collecting mirrors have no problem) or park in one of the car parks that are around us, we suggest that of "The Holy Trinity" from 10.00€ on the following link:
